

Dear Room 7 Parents,

August 8th, 2011

Week 1 has come and gone so quickly and now, already, we are into our second week of the term.

Photo of the week:

Taken on the last day of Term 2. Veronika with Mrs Sellar who is obviously 'in the pink!'

A few things to note this week.

New Arrival: Today Room 7 welcomes another new arrival into our class. James Taylor-Davus and his sister Molly have recently moved to Auckland and both children will be attending Hebron. James will be in our class and Molly will be joining Room 14. We hope you will enjoy being in our class James, and we look forward to getting to know you better.

Uniforms: All students should now be wearing the regulation Hebron winter uniform. The weather is getting much colder now so please ensure that your child is wearing a school jumper or cardigan when they come to school. Winter is a time when many children catch colds and have runny noses and bad coughs. If your child has any of these then it is better if they are kept at home.

I will be checking the children's uniforms this week so please have all items – shoes, socks, clothing – named.

Gymnastics: Thank you to all those parents who have returned their child's permission slip. Over the next 3 weeks the children will be travelling by bus on Thursday to Waitakere Gymnastics. We will be leaving school at 12:30pm and returning at 2:30pm. The children will need to have shorts, tee-shirts, running shoes and a warm cardigan or jumper. We still require parent helpers to assist with supervising activities at the gym so if you are able to spare some time we would love for you to be there.

P.E.: There will be no P.E. for the next 3 weeks while we are having gymnastics.

Homework: All the children will be learning their Timestables this term.

Stationary: It is now essential that all children have the required stationary as we are now 'into school work' in earnest.

Have a great week.

Blessings

Mrs Sellar
