

Dear Room 7 Parents,

September 26th, 2011

Week 9

ToyBox

Wednesday afternoon.

Photo of the week:

Room 7 with their Christmas Boxes

A few things to note this week.

Christmas Child Appeal: It was so wonderful to see all the children with their Christmas Child boxes on Friday. The children got to hear some exciting and heart-warming stories from Mr Scott about the effect these boxes can have on the children who receive them. For some of these children it is the first time they will ever have received a Christmas present. Mr Scott told one story about how a whole village came to know Christ through their children receiving these boxes. It is very a very worthwhile cause and such a simple way in which we can not only bless others but to spread the Good News about Jesus as well.

Toybox Performance: Immanuel Christian School is staging the production "Toybox" and our Y1-Y6 classes will attend a special matinee next Wednesday, 28th September at 1pm. A permission slip has been sent home and the permission slip is required to be filled out and returned to school. The cost for entry and the bus trip will be \$5.50. To date only 5 permission slips have been returned. Please sign your child's slip if you haven't already done so and return it to me by Wednesday morning at the latest. Children without permission will have to remain at school for the afternoon and will miss out on seeing this great production.

Pet Day: This was a great success with all manner of pets being brought along by their excited owners. Watch the class webpage for photos coming soon. Room 7 won three awards. Well done Emilia, Veronika and Ruby. Unfortunately, we missed out on the award for the smallest pet – an earwig from Rm 14, but Charlotte and her performing snails did us proud.

P.E.: P.E. is on Wednesday this week. Please ensure that all children have their running shoes and P.E. gear.

Rugby World Cup: Next week Rm 7 will be having a shared lunch with the RWC as its theme. Children will be invited to come along dressed in their favourite RWC team colours. More about that later.

Cell Phones: Room 7 is still leading the Junior and Middle Schools having collected 68 cell phones so far but more are needed if Hebron is to reach their target of 960 phones so please continue to send them in.

Have a great week.

Blessings

Mrs Sellar
